# spa detox

## Training Course for Beauty Professionals

The Natures Way Spa treatment is a complete detoxification for the face and body. The treatment is a hands on application and removal. No shower or spa facilities are required. By using the hands constantly the therapists stimulate the flow of the blood and lymph running through the body.

With the use of careful blends of essential oils and the seaweed you can create a total detox which will leave your client thoroughly cleansed from the inside out.

### The spa training will include:

- A detoxifying seaweed body wrap.
- An algae detoxifying facial demonstration.
- A practical hands on treatment on how to use the products.

### Delegates will learn:

- The complete theory behind the use of seaweed and why it works.
- A thorough knowledge of the products.
- Benefits and effects of the treatment.
- Aftercare to maintain results.
- How to market the treatment to clients.
- Hands on practical.
